STUDENT FEEDBACK ANALYSIS REPORT (2021-22)

Prepared by

Internal Quality Assurance Cell (IQAC)

Submitted to

Governing Body

Krupajal Engineering College, Bhubaneswar

Feedback Report 2021-22

- It is the practice followed in our Institution to obtain feedback from the students about Academic / Curriculum / Co-curricular / Administration activities / Infrastructure etc. for the holistic development of the institution.
- The practice followed in the Institution is to obtain feedback from the employees (both Teaching and Non-Teaching) throughout the year. The sources to obtain feedback related to curriculum & syllabi, teaching-learning process, teaching pedagogies are through IQAC.
- It is the practice followed in our Institution to obtain feedback from the alumni through various avenues viz. during the time of convocation/collecting the certificate. The various parameters emphasized in these feedback mechanisms are revolving around curriculum, syllabi of courses, course outcomes, programme outcomes, teaching – learning process, evaluation system, mentoring system, infrastructure facilities, about administration office. The feedback from alumni feedback is considered as a major resource for the holistic development of an institution.
- The Institution obtains feedback from employers through various forums. These feedbacks were collected and collated in the institute level and important suggestions / comments / remarks given by the employers for enhancing the curriculum & syllabi were considered for further course of action.
